Daegon Michaels - 6'2 Junior

Overall, we lost a lot of experienced players from last season, due to graduation along with injury, and other situations. We have one experienced player back from last season and looking for a lot of contribution from him and one other player, especially. Ultimately, we will be very inexperienced when it comes to playing Varsity Basketball. We are looking to bring some young players onto the Varsity team as well. There are a lot of question marks this season but will be a great opportunity for kids and it will be a fun group to coach and a great challenge for all of us! We are looking forward to the season!
