None, returning all key players

Newcomers to your team (Incoming freshmen or transfer students)

Owen Rickers is a soph projected to start this year. Played last year on Varsity. We played a really young team last year with almost all sophs and a couple role playing freshmen. Seniors received moderate minutes and were not key. They will all be back and we should have a few top players like Marcele and Ty but then have another 8 after that who will be fighting for the remaining minutes.

Teams from your area and same class that we should keep an eye on

I think most teams are going to be "up" from last year. DM North I think is going to be very strong as well as Ames.
